Terms of Reference for the Governing Body
and its Committees

Reviewed and adopted: October 2017
Next Review date: October 2018

These Terms of Reference should be read in conjunction with the documents 'Governing Body Code of Practice' and 'Decision Making Framework and Responsibilities' as well as legal requirements for Governing Bodies.

The Governing Body normally meets five times a year, usually in September, November, February, May and July. The Clerk to the Governors will draw up the agendas in consultation with the Chair of Governors and distribute them, with any other papers, to all Governors, preferably two weeks before the meeting, but at least seven days before. The Clerk will minute the meetings, check the draft minutes with the Chair of Governors, and distribute them to all Governors as soon after the meeting as possible. Minutes will be agreed at the next full Governors' meeting and made available for inspection, apart from any items deemed to be confidential. Full Governing Body minutes and minutes of Committees, once agreed, will be available on the school website.

Much of the Governing Body's business is conducted in committee. The four committees are Finance, Personnel, Curriculum and Site & Buildings, and they will meet at least three times a year. Extra committee meetings can be called by the Chair of the Committee or the Chair of Governors as necessary. All Governors serve on committees, usually two.

The Governing Body can set up working parties, usually short term for a particular purpose. These consist of at least two Governors and can include non-governors. Working parties elect a Governor to chair each meeting. Minutes are taken by the Governor acting as Chair and circulated to all the Governors and other parties where appropriate. Working parties report to Committees or the full Governing Body as appropriate.

Some individual Governors will have special interests on the Governing Body. Some of these, such as Performance Management Governors and Special Educational Needs Governor, are statutory. Others express individual interests and expertise and will vary from time to time.

These Terms of Reference, together with the Code of Practice and the Standing Orders, will be reviewed annually at the first full Governing Body meeting in the Autumn Term.
