

## Friday Update – 8<sup>th</sup> February 2019

**GREAT  
JOB!**

I am delighted to attach a copy of a letter from Rt Hon Damian Hinds and Rt Hon Nick Gibb on behalf of the Department of Education relating to our SAT results from last year – A fantastic achievement from all involved.

The Parents Evening Booking System is now closed. If you have yet to make an appointment or wish to make any changes, please speak to the office staff and they will sort that for you. A reminder that Years 1 and 2 (Sparrow, Starling, Robin and Raven Classes) will be in the studio hall and all other years will be in the school hall.

A reminder that it is important that parents do NOT come into school in the mornings. If you wish to speak to your child's teacher, please make an appointment or a message with the school office staff.

We still have slots available for parents to meet with Mrs Moore and if you would like to book on of these, then again, speak to the office staff.

Mad Science Club will be going ahead as normal. If pick up time clashes with your parents evening appointment, please let the office know in advance and we can inform the Scientists about that so that arrangements can be made.

*Job Advert from Easyclean – our contract cleaners*

*Cleaner required to work at Little Paxton Primary School Working 6am-8am Monday -Friday.... 10 hours per week*
