

Reading: Word Reading

Children will learn to:

- * continue to apply phonic knowledge and skills as the route to decode words until automatic decoding has become embedded and reading is fluent
- * read accurately by blending the sounds in words that contain the graphemes taught so far, especially recognising alternative sounds for graphemes
- * read accurately words of two or more syllables that contain the same graphemes as above
- * read words containing common suffixes
- * read further common exception words, noting unusual correspondences between spelling and sound and where these occur in the word
- * read most words quickly and accurately, without overt sounding and blending, when they have been frequently encountered
- * read aloud books closely matched to their improving phonic knowledge, sounding out unfamiliar words accurately, automatically and without undue hesitation
- * re-read these books to build up their fluency and confidence in word reading

Reading - Comprehension:

 - drawing on what they already know or on background information and vocabulary provided by the teacher
 - checking that the text makes sense to them as they read and correcting inaccurate reading
 - making inferences on the basis of what is being said and done
 - answering and asking questions
 - predicting what might happen on the basis of what has been read so far
- * participate in discussion about books, poems and other works that are read to them and those that they can read for themselves, taking turns and listening to what others say
