Do I need to buy school shoes for my child?

You do not need to buy school shoes for your child for September unless you feel they are the best option for your child. Each child will need a solid pair of outdoor shoes which they will come and go to school, wear outside during lunch and breaks. Appropriate shoes would be school shoes, wellies, and trainers. These may get muddy and some day's wellies may be the best option. In addition, they will need indoor shoes – plimsolls, clean trainers or safe slippers. For outdoor PE they will need a pair of shoes appropriate for being active (not wellies) and these may be the same as those worn to school if appropriate.

What should I do if my child needs to have medication in school?

Please send all Medication into school with your child and ask for it to be sent to the office so that it can be checked and the office team can ensure we have all paperwork in place. Please confirm to the office by email that you have sent medication into school with your child, they will send you the appropriate paperwork.
